Years 3, 4, 5 and 6 have spent £1750 on resources.

The PE resources can actually be funded by the PE allocated PTA funds leaving £1200 to be spent by 3, 4, 5 and 6.

The PE allocated funds have been increased to £1500 to include purchase of netball equipment. This is due to the delay in building works postponing the need to spend on yard upgrades.

Also ordered two new goals - one for KS1, another for KS2.
