Datganiad Ariannol Financial Statement

Our key message last year was "Spend, spend, spend" and we have made significant progress in this. We broadly followed our proposed budget plan and hit the key areas with big donations. Almost £5,000 was spent on Maths/STEM resources alone. Another big spend was Literacy with £2,000 invested in the online resources Ebooks and DarllenCo as well as actual books for the classroom. Over a £1,000 was spent in upgrading the P.E equipment.

There is still significant money in the bank. As discussed last year, as this was not immediately required it was temporarily held back towards a potential future big spend revamping the outdoor facilities. This will need to be considered in the next financial year.

Have a plan where the money will be going

Make sure teachers have a date set to use the money for each class so Llinos is able to audit them all

AOB

Ongoing outgoings:

Big Maths

Phonics

Bugs Online

Darllen Co

Look to make tea towels – sell in the Summer term.

Future Fundraising

- Ask the children what they would like
- Reading corners and have a pot of money for those
- Money per class
- Llinos to send to HS – find a better solution for class money – give deadlines Feb half term
- English phonics scheme Little Wandle

Date for next meeting: 06/11/24 7:30pm
